We operate a large fleet of modern low-emission vehicles, all maintained to an excellent standard by our own team of experienced mechanics.

Our friendly uniformed drivers have many years' driving experience in the UK & Europe. They are all CRB checked and hold Drivers Certificates of Professional Competence.

Lehane Travel is a member of the Confederation of Passenger Transport and holds Certificates of Professional Competence Operators' Licences for the UK and Europe.

## **55 seat coaches**

55 seat coaches are the biggest in our fleet and they are ideal for large groups, day trips and educational visits or school holidays away. They are smart and comfortable with lots of on board facilities to make journeys relaxed and comfortable.

Safety is our prime concern and all our vehicles are fitted with first aid kits, fire safety equipment and retractable seatbelts.

Other on board facilities include:-

- Comfortable reclining passenger seats with arm rests
- Full heating system
- Overhead luggage storage
- Forced air ventilation system
- Plenty of storage space for suitcases and equipment in under floor luggage lockers
- Additional courier seat with a built-in PA system
- Quality sound system including radio, CD player and PA
